SCHEDULE “C”

TRADE-MARKS

CANOE’s Trade-marks

SCHEDULE "D"

CHANGE REQUEST FORM

Instructions for Supplier

Requests for Product/Service changes, additions, or deletions will be considered at any time throughout the Term. All such requests must be made in writing by completing this Change Request Form and signed by an authorized Supplier representative. Subject to Section 3.1 of the Agreement, all changes are subject to review and approval by the CANOE Manager of Supplier Relations. Submit request through email to Tyler Hannemann, Manager of Supplier Relations to tyler@canoeprocurement.ca.

CANOE will determine whether the request is 1) within the scope of the RFP, and 2) in the best interests of CANOE and Members. If CANOE approves the changes documented in a Change Request Form, that form will be signed by CANOE and emailed to the Supplier contact.

The Supplier must (i) individually list or attach all items or Goods/Services subject to change, (ii) provide sufficiently detailed explanation and documentation for the change, and (iii) include a complete restatement of pricing documentation in an appropriate format (preferably MS Excel). The pricing documentation must identify all Goods/Services being offered and must conform to the following CANOE product/price change naming convention: (Supplier Name) (RMA Contract #) (effective pricing date); for example, "Acme Widget Company #012416-AWC eff. 01-01-2017."

NOTE: New pricing restatements must include all Goods/Services offered regardless of whether their prices have changed and must include a new "effective date" on the pricing documents. This requirement reduces confusion by providing a single, current pricing sheet for each Supplier and creates a historical record of pricing.

ADDITIONS. New Goods/Services may be added to a contract if such additions are within the scope of the original RFP.

DELETIONS. Goods/Services may be deleted from a contract if, for example, they are no longer available or have been modified to a point where they are outside the scope of the RFP.

PRICE CHANGES: The Supplier may change prices in accordance with Section 3.1 of the Agreement.

Detailed Explanation of Need for Changes

List the Goods/Services that are changing or being added or deleted from the previous contract price list, along with the percentage change for each item or category. (Attach a separate, detailed document if changing more than 10 items.)

Provide a general statement and documentation explaining the reasons for this price and/or Goods/Services changes. EXAMPLES: 1) "All pricing for paper products and services are increased 5% because of increased raw material and transportation costs (see attached documentation of fuel and raw materials increase)." 2) "The 6400 series floor polisher is being added to the product list as a new model, replacing the 5400 series. The 6400 series 3% increase reflects technological changes that improve the polisher's efficiency and useful life. The 5400 series is now included in the "Hot List" at a 20% discount from the previous pricing until the remaining inventory is liquidated."

If adding Goods/Services, state how these are within the scope of the original RFP.

If changing prices or adding Goods/Services, state how the pricing is consistent with existing CANOE Program Pricing.
